DEPARTMENT OF WATER RESOURCES(CAD)

NOTIFICATION

The 12th December, 2024

No.2496—WR-CADII-POLICY-0001/2014/CAD.— The Command Area Development Wing (Directorate of CAD-PIM) of Department of Water Resources was restructured and strengthened comprehensively with creation of five more CAD Divisions, by taking the total strength of Divisions to 12, to meet the challenges in implementation of CADWM programme in the State vide Resolution dated 16th March, 2015.

2. However, the field offices of the Directorate went through rationalisation even before issuance of the Resolution dated 16th March, 2015, in 2013 and subsequently in 2015, 2017 and 2021 respectively.

3. In the meanwhile, it has been felt necessary, for another round of rationalization of field offices and human resources for the following:

- i. Equitable distribution of volume of workload on the field offices which depends on the number and extent of irrigation commands for CAD works; their proximity to field offices and availability of Pani Panchayats (PPs) to execute the works etc.
- ii. Change of irrigation command centric approach to the district centric ones with the inclusion of minor irrigation projects and convergence with MGNREGS.

4. Therefore, Government, after careful consideration, have been pleased to rationalise the field offices and human resources of the Directorate of CAD-PIM, of the Department of Water Resources in the following manner:

- i. The existing 12 CAD Divisions and their Headquarters have been kept intact. However, out of the 29 Sub-Divisions, 10 Sub-Divisions have been relocated based on the current workload across the 30 districts with the following major modifications as placed in **Annexure-I**:

- a- Inter-Division Relocation of Sub-Divisions: One from CAD Division Bhawanipatna and two from Dhenkanal, have been relocated to Nayagarh (CAD Division,

Bhubaneswar); Keonjhar (CAD Division, Bhadrak) and (iii) Bargarh (CAD Division, Sambalpur) respectively.

b- Intra-Division Relocation of Sub-Divisions: The Sub-Divisions have been relocated as Bhadrak-II to Anandpur (CAD Division, Bhadrak); Korukonda to Nabrangpur (CAD Division, Malkangiri); (v) Padmapur to Paralakhemundi (CAD Division, Rayagada); Kusumkhunti to Bhawanipatna (CAD Division, Bhawanipatna); and Nuapada-II to Titilagarh (CAD Division, Nuapada) Phulnakhara to Bhubaneswar (CAD Division, Bhubaneswar); and Bisoi to Jashipur (CAD Division, Baripada).

ii. In order to have uniformity, each Sub-Division is to have 3 Sections each, headed by AEs/JEs (Agriculture/Civil) and keeping the number of Sections at 87, which was not specified earlier.

iii. In case, a small portion of the command area of an irrigation command, is found to be extending to the neighboring districts / blocks, assigned to a particular CAD Division / Sub-Division / Section, the CAD&WM works in the said command area may be taken up by the CAD Division / Sub-Division / Section to which the irrigation command is originally assigned.

5. With the above proposition, the Division / Sub-Division / Sections and sanctioned strength of officials upto the level of JEs, has been reconfigured as given in ***Annexures- II and III*** respectively.

5.1 Since huge vacancy exists in respect of the Non-Gazetted posts, it will be considered for rationalization after filling up of such posts, observing formalities.

By Order of the Governor
RASHMI RANJAN NAYAK
Additional Secretary to Govt.,
& Director, CAD-PIM
